# Automating Construction

---

**Jacob Drachmann**

Partner | CN3

# ALL PROJECTS ARE BOUND TO GO WRONG

## INDUSTRY EVIDENCE

**98%**  
overrun on cost or schedule

**80%**  
of rework traced to information and coordination failures

**35%**  
of project cost absorbed by waste, rework and delay

## ONSIGHT PROJECTION REPORT 2026

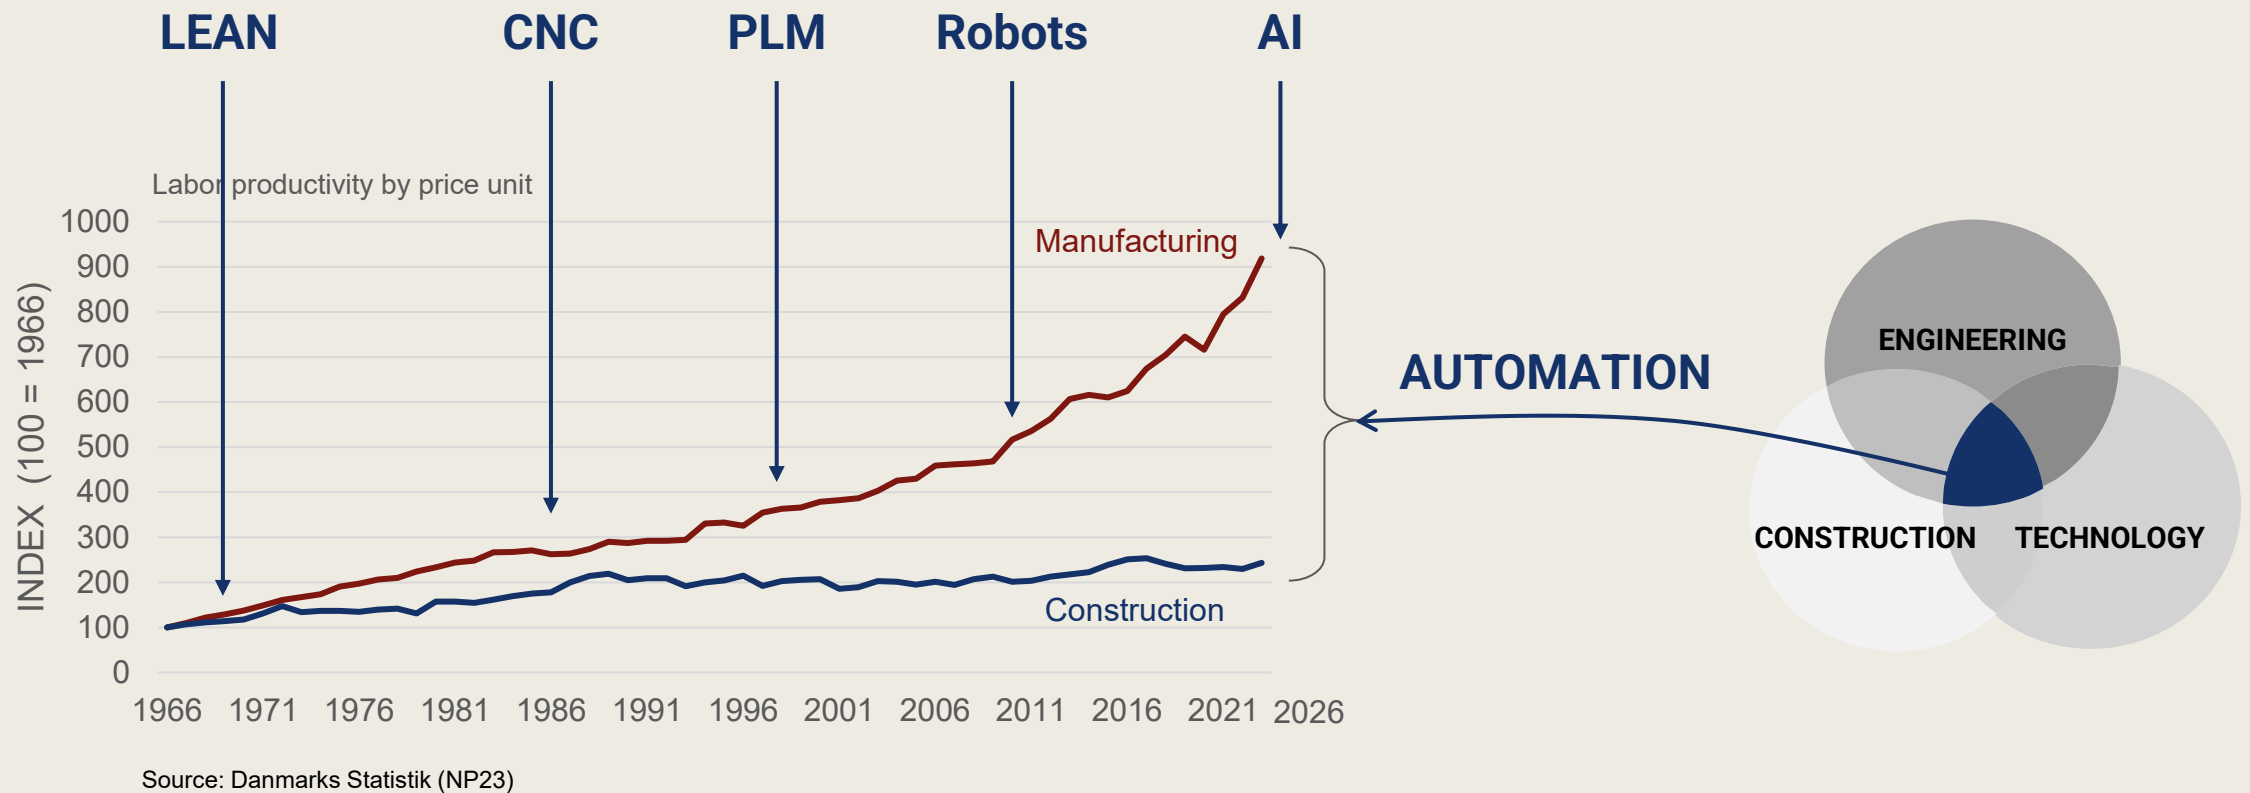

**67%**  
Average confidence in data consistency

**66%**  
Report friction between design and execution

**63%**  
Experience occasional or frequent delays from unreliable data

# OUR MISSION

## A more productive construction industry

# What if we can

**Prepare People. Not just designs.  
Design for Production. Not for drawings.  
Automate Construction. End to end.**
